You can count on us!
For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don’t need a corset if they’ve got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait
Sun. Warmth. Fancy a Mediterranean lifestyle? Welcome to Freiburg! Until the founding of the State of Baden-Württemberg on April 25th 1952, Freiburg was the capital of the state of Baden. “And Freiburg will probably remain the most beautiful tower on earth” is what art historian Jacob Burckhardt said in 1869. Small “streams” (“Bächle”) run through the town. Footsteps echo on the cobbledstones. The “capital” of the Black Forest is characterized by its Gothic cathedral. In the style of Baden? Or maybe in the Austrian style? For more than 400 years, Freiburg belonged to Austria. A tour of the town will make Freiburg’s exciting history come alive.
